Also, homeowners need to remind anyone doing work on their home, must get a building permit.

**Communications:**

**Bob Hill:**

Bob Hill sent a note thanking the Mayor and Town Council for hiring him to be the building inspector and appreciated the support he had received during his employment.

**Steve Bremer:**

Everything is good. Questions have been asked as to why the keys were changed and it was explained that is was because of liability. Also he has done some clean-up in the storage container behind the shop.

Dot has taken a look at the recycling containers in St. John that are through Whitman County Recycling. There is not a cost right now to St. John for these containers. They are emptied once a week. Jerry asked Caryl to check and see when our contract with Lewis-Clark Recycling expires for future reference.
