Dog Licensing and Vaccinations

The Town of Colton's Ordinance #224 and #269 requires that a license be purchased for all dogs 6 months of age or older, that are harbored within the town. You may obtain a license at Town Hall. The cost of a lifetime dog license is \$15.00. Rabies vaccination records are maintained by the town and must be kept current. If you have just moved into town and have a dog, please stop by Town Hall and get your dog licensed. We are located at 706 Broadway Street. If you have questions, please call Jenni at 509 229-3887.

Uniontown Compost/Burn Pile:

If you need to get rid of yard wastes, remember that Uniontown's Composting area is opened and will remain opened as long as there is no inappropriate dumping. It is located across from McGregor's on Blair Street. Please remember to only drop off composting items. This is a natural vegetation only site. Leaves, grass and weeds each have their own clearly designated pile. Tree limbs are accepted but must be smaller than 4 inches in diameter and no longer than 6 feet. NO construction lumber is allowed. Please do not put pine cones on the burn pile. If you have any questions, please call Brent at 509-552-9434.

CHURCH SIDE OF TOWN: PLEASE WATER ON TUESDAY, THURSDAY AND SATURDAY

Thank you for helping the town conserve water!

Opened Council Position, January 2022:

Kyle White has decided not to run for another term in Council position #2. If you are interested in running for town council, please go the Whitman County website: <http://www.whitmancounty.org/169/Election-Information> and file. The council meetings are on the first Monday of the month and if it is a holiday, it would be on a Tuesday. If you have any questions, please call Jenni at 509-229-3887. The council would like to thank Kyle for his 8 years of service. He will be missed.
