

Town of Colton's Winter Newsletter 2022

NON-MOTORIZED VEHICLE PARKING ON STREETS

Just a reminder that non-motorized vehicles (horse trailers, travel trailers, boats, etc.) should not be parked on the street/right-of-way during the winter months when we are plowing snow.

Also, please be sure that you are not parking vehicles, boats, travel trailers, etc. in the alleys. The alleys should always be accessible for utility work, etc.

COLTON LIBRARY NEWS WEEKLY STORYTIME

The Colton Library has Storytime for children ages 2-5, every Monday at 10:30 a.m. Storytime is an educational program designed to start children on the path to learning letters, numbers, colors, and shapes in addition to early reading skills.

Storytime generally has a theme and focuses on a number and letter each week, and also includes a craft, songs, stories and a snack. Please consider bringing your preschooler to this FREE, FUN program!

Call Holly at 229-5278, for more information.

Thank You!

Special Levy

A special thank you to all who voted YES for our special levy. We will continue to use this money to improve our town. Thank you so much!

Water and Sewer

Please remember that your water meter readings are only estimated during the winter months. Don't be surprised if your water bill is higher when actual reads are taken in the spring. Also, per resolution, the water rate will go up 4% in February 2022, which is an increase of \$1.66 a month. The base water rate will be \$43.15. The council did approve the \$20.00 rate increase for sewer, passing resolution #810 at the November Council Meeting. This increase is to help pay for the town's upcoming sewer system upgrade. The new sewer rate will be \$69.83. If you have any questions, please contact Jenni at 509-229-3887.

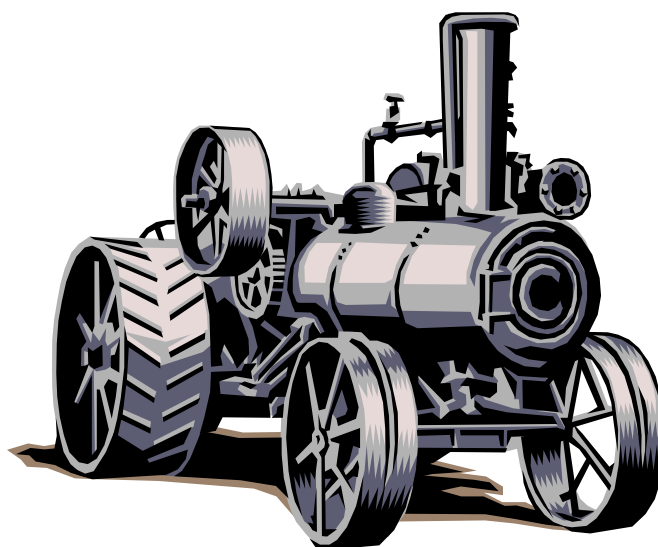

Happy Holidays
